

Bolivia and Alaska Mission

Greetings to all of you and I pray that you had an outstanding time of Thanksgiving.

We have been given another opportunity to be part of a great ministry of helps. There are two pathfinder missions coming in 2019 that I pray will spark the interest of some of our leaders who can find the time to go.

The first trip is a Silver Team trip to Bolivia. This trip is in June 7-15-2019. The cost will be \$1800.00. That will cover the air fare, food, lodging, and visa. Bolivia requires a visa that cost \$160.00, and it is for 10 years.

The work involved in this trip is repairs at the Bolivian Center in Coachabama, Bolivia. There is a church that is helping with material for this project, but it will not be enough. The cost of material is \$10.000, and any help your District can offer would be appreciated.

The second trip is a Bronze trip to Alaska. This trip will be in two parts and two teams. The first team will arrive on July 5th thru 14. The teams will be living in rooms. Their focus will be on installing an indoor handicap ramp at the church, building a pavilion or working on cabins. This materials cost is \$10.000.00 plus. They are praying for help from a BGMC fund raiser.

The second team will arrive on the 13th in Healey. They have most of the funds, but would appreciate any other help. Their work load will consist of installing a generator and other projects around the church. The cost for this trip is \$1800.00 or less. There will be a discount worked out for anyone staying to work on both projects. The total work days would be about 16.

For paperwork, please contact Mr. Mike King at 931-626-9358 or mikeking5@bellsouth.net
